Happy New Year Lions,

At this time of year we take time to reflect on the events that defined 2010. As a club we hosted the most successful Trout Derby in the event's history raising over \$25,000. We also crossed a milestone of being one of the oldest Lion's Clubs in the United States and celebrated our 85th Charter year.

We have all possibly lost some loved ones, and maybe gained someone new in our family or circle of friends. From an economic standpoint, some businesses struggled while others thrived. Where ever your life falls into this general summary – just remember how blessed you are. Remember how fortunate you are to live in the greatest country in the world; a country where we're free to speak our minds and pursue happiness as we see fit. Think of your friends and family and when you take everything else away – aren't they really the most important thing you have? Think of what you have done, and what others have done for you. Are you pleased with the results? Will you try harder next year?

As we look into 2011 let's task ourselves to go that one step further. Maybe try a little harder. Give more than you take. God bless you all and we'll see you soon.
